SUPPLEMENTAL DECLARATION AND POWER OF ATTORNEY

Attorney's Docket No. 42368-258915(02811-0151US)

In re Application of: **Nigel C. Phillips and Mario C. Filion**

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name. I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled: **Chemotherapeutic Composition and Method**, the specification of which:

☐ is attached hereto.☒ was filed on June 4, 2001 as Application No. 09/857,332 as the National Phase of PCT International Application No.

PCT/CA99/01157, which was filed on December 3, 1999. The allowed claims result from amendments submitted on June 4, 2001, April 8, 2002, September 23, 2002, December 1, 2003 and an Examiner's Amendment on December 19, 2003.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I do not know and do not believe that the same was ever known or used by others in the United States of America before my or our invention thereof, or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to the date of this application. I further state that the invention was not in public use or on sale in the United States of America more than one year prior to the date of this application. *I understand that I have a duty of candor and good faith toward the Patent and Trademark Office*, and I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 (a)-(d) of the foreign application(s) for patent or inventor's certificate listed below, and have also identified below any foreign application for patent or inventor's certificate disclosing subject matter in common with the above-identified specification and having a filing date before that of the application on which priority is claimed:
